HR Team Changes

I am pleased to announce the following changes to the Human Resources team which are effective immediately.

Charlotte Jones has been promoted to the role of HR Advisor and will take responsibility for the Central region.

Natalie Reeder, HR Advisor will support the Scotland and North region replacing Bethan Cook who has recently left the business to explore opportunities outside of the Company.

Alan McIntyre joins the Company as HR Advisor for Wales and South West region. Alan has spent the last three years working as a HR Partner at the Open University and prior to that he held HR roles at Tesco Family Dining, GM Motors in Luton and Unipart.
